
rank	start	suffix (first six tokens)	LCP with the row above
23	29	obtaining a copy three four five	3
24	8	of charge to any person obtaining	0
25	24	of charge to any person obtaining	8
26	17	one two permission is hereby granted	0
27	3	permission is hereby granted free of	0
28	19	permission is hereby granted free of	**13**
29	12	person obtaining a copy delta one	0
30	28	person obtaining a copy three four	4
31	32	three four five	0
32	10	to any person obtaining a copy	0
33	26	to any person obtaining a copy	6

Rows 23 to 33 of the 35-row suffix array. Only one adjacent pair shares at least 13 tokens (red), so the copy that starts later, at token 19, is removed. Fragments of the license also pair up (LCP 8, 6, 4), but they are shorter than 13 tokens and are not marked.
